ELIZABETH SINES, ET AL.,

Case No. 20-mc-245

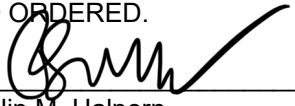

Plaintiffs,

v.

JASON KESSLER, ET AL.,

Original Western District of VA

Defendants.

Case No. 3:17-cv-00072-NKM

-----X

1. The above captioned matter is a Motion to Quash Subpoena served on Movant Michael Peinovich. This Sealing Motion is a request for relief within that miscellaneous procedure.
2. The Subpoenae in dispute were issued out of the Federal District Court for the Western District of Virginia, (i.e. “Sines et al. v. Kessler et al., Western District of Virginia Case No. 3:17-cv-00072-NKM”) . They seek various and sundry materials, as well an unlimited deposition, from Peinovich, a non-party to the main litigation in Western Virginia.
3. It appears that certain documents, to wit, Exhibits 1–9 attached to Peinovich’s reply Papers, were produced under a confidentiality order in the main litigation.
4. The copies of said documents in possession of Peinovich appears to be fully redacted as to any confidential information. However, Peinovich wishes to be cautious about complying with any confidentiality order.
5. Accordingly, Peinovich hereby files Exhibits 1–9 attached to his Reply Affidavit under seal so that it will be held under seal until such time as Seth Wispelwey or any other

Respondent can address the confidentiality status of Exhibits 1–9.

WHEREFORE Movant Michael Peinovich respectfully requests an order to seal Exhibits 1–9 attached to his Reply Affidavit until such time as Respondents can address the confidentiality status of said exhibits; and for such other, further and different relief as the Court deems just and proper.
